## AMARJIT SINGH BALGIR

*V. & P. O. Bhungarni, Distt. Hoshiarpur  
(Punjab).*

*Soft-spoken and kind, he reflects a refined personality. Always thoughtful, he is often mistaken as 'confused'. The pendulum of his thought swings between many 'isms'. A thorough nationalist, he does remarkable amount of social work. A very good singer, he sings patriotic songs in the morning and romantic songs in the evening.*
